When is my pay date?

- Pay days are on Friday. We strongly encourage all employees to use direct deposit so that you are guaranteed your funds on pay date itself. If you have a mailed check, it is mailed early Wednesday by ADP, but US mail service can't guaranteed you will receive it by Friday. Please be patient and allow time for delivery.
- Pay checks are issued on fixed "Pay dates" and include the hours worked in the given pay period.
- In order to avoid discrepancies and/or delays in your pay, please ensure that you submit your timesheets as soon as you finish working each week, so typically each Friday, but at the latest by Sunday evening.
- Look at the Pay Calendar provided in the Collabera timesheet system. You can download the Pay Calendar by clicking icon on the Pay Calendar header.
 - a) Deadline to submit timesheet for a given Pay Period is indicated by a "time clock" icon
 - b) Pay Dates are indicated with a green "dollar sign" icon.

- enroll in or update accounts for direct deposit of your payroll
- Update your security questions and answers to be able to reset your password or retrieve your user ID, when required
- Change your password regularly to protect your account.
- Update/Activate your mobile phone numbers and email address to receive security notifications from your company or ADP.

How to navigate through the myADP Pay home screen

The screenshot shows the myADP Pay home screen. A red callout box at the top center contains the text: "How to navigate through the myADP Pay home screen". A red arrow points from this box to a "DOWNLOAD PAY STATEMENT" button on the screen. Another red callout box at the bottom center contains the text: "To view pay statements click on the pay date you need listed on the left then click the 'download Pay Statement' button to open the pay statements". Red arrows point from this box to the "Mar 23, 2018" date in the left sidebar and to the "DOWNLOAD PAY STATEMENT" button. Other red callouts point to "For Your Records", "Direct Deposit", "Tax Withholding", "Deductions", and "Tax Statements" sections.

We encourage you to enroll in direct deposit for your payroll. This will guarantee that you safely have your funds delivered to you and available for use on payday and will not be affected by mail delays which are out of our control. You can deposit into up to 4 accounts total (maximum three checking and two saving accounts).

After you enter the direct deposit details in ADP, **you will get either 1 or 2 actual paychecks mailed** before the deposit takes effect. This time is required for ADP to do a “trial transfer” or “Pre note” to ensure the accuracy of the routing and account number. As soon as the pre note is confirmed you will get a deposit the next pay date. The number of paychecks depends on the payroll cycle.

Example of when there will be 1 check: If you enter details into ADP before the last day of the pay period, the “prenote” will be for that period, so a check is produced, and the following period you will get deposit.

Example of when there will be 2 checks: If you enter bank details on the ADP portal after the last day of the pay period, but prior to your next pay day, then you have missed the “prenote” possibility for the upcoming pay date, so you will get that check and a 2nd live check for the next period when the prenote gets sent to the bank.

We strongly urge you to review your mailing address on the portal for accuracy, if you have an apartment number, be sure to include it. If you ever change your residence, please update it on ADP portal right away. Feel free to reach out to us for further assistance at payroll@collabera.com or your point of contact in Collabera.

The screenshot displays the ADP Pay portal interface. On the left, a sidebar shows navigation options like 'Dashboard' and 'Pay'. The main content area is titled 'Pay' and features a 'Payroll Summary' for the current period (Jun 6, 2018). It includes a table of pay items: Take Home (\$X,XXX.XX), Gross Pay (\$X,XXX.XX), Regular 80 hours (\$X,XXX.XX), and Date (\$X,XXX.XX). A donut chart visualizes the breakdown of Gross Pay (\$X,XXX.XX) into Taxes, Benefits, and Take Home. Below the chart, there are expandable sections for Taxes, Benefits, Other, and Take Home, each with a corresponding amount. A 'DOWNLOAD PAY STATEMENT' button is visible. At the bottom, there are sections for 'Pay Adjustments', 'For Your Records', and 'Direct Deposit'. The 'Direct Deposit' section has a 'UPDATE DIRECT DEPOSIT' button, which is highlighted with a red circle and a red arrow pointing to it from a red callout box. The callout box contains the text: 'Click on the “Direct Deposit” button to set up direct deposit details'.
